DECLARATION OF CONFORMITY

At the issue from 13th February 2003, the official Journal of the European Union has waived the following:

GUIDELINE 2002/95/EG OF THE EUROPEAN PARLAMENT AND THE COUNCIL from 27th January 2003

for limitation of application of particular hazardous substances in electrical equipment.

RoHS „Restriction of Hazardous Substances“

Article 4 (1)

„As from the 1st July 2006, the member states make sure, that all introduced electrical equipment **don't contained lead, mercury, cadmium, sexavalent chrome, polybrominated biphenyl (PBB) and polybrominated diphenylether (PBDE). ...**“

Coollaboratory confirmed the conformity (GUIDELINE 2002/95/EG) of the product „**Coollaboratory Liquid Ultra**“, their amendment as well as the performed laws.
